Conversion Specialist
Business Analyst
Researcher

LEARN

Acquire practical skills directly from people behind best products in the world.

GET INSPIRED

Dropbox, Adobe, Minecraft, Lloyds Banking Group, Frog Design... - talks from specialists representing the most respected companies in the digital industry.

SPEND LESS

By sending your employees to the best Polish product event you save money you'd need to spend on travel and accomodation for other European events.

BUILD TEAM

ProductCamp is a fantastic opportunity for company integration. A couple of days in Gdynia ending with a beach party is a perfect mix of learning and chilling out.
